Introduction - Reading Your Ancestry Book

Ancestry Report

This book is about you or a loved one, therefore you, or that person who is # 1, is who this Ancestry report is about. Your/their father is number 2 and your/their mother is number 3.

As you progress in this report, your ancestor doubles from the current person. For example, since your father is number 2, your grandfather is number 4 and your paternal grandmother is number 5. Your great grandfather is number 8 and his wife, your great grandmother is number 9.

The same number progression occurs with your maternal ancestry. Since your mother is number 3; her father, your maternal grandfather, is number 6 and his wife, your maternal grandmother, is number 7. Etc, etc.

Grace Parker is # 3,

Grace's father is # 6, and her mother is # 7

Grace's grandfather is # 12, and her grandmother is # 14

Grace's great grandfather and great grandmother are #'s 24 and 25

Grace's 1st ggfather and ggmother are #'s 48 and there is no 49 as name is unknown.

Grace's 2nd ggfather and ggmother are #'s 96 and 97

Grace's 3rd ggfather and ggmother are #'s 192 and 193

Descendant Report

The oldest person in the report is number 1. Following the supporting documentation, many from Rev. Hebert of Louisiana, are the children of that person and his/her spouse. A number to the left of the children informs the reader that there is more information later in the report for that person.

Other

Sometimes you see FGID followed by a number. This is the FindAGrave.com Identifying number. If you go to the web site and enter this number in the "Memorial ID" field, you should find the burial site of that person on the virtual cemetery site. Often times that person is linked to other family members.

Sometimes you see the FGID and that same number is preceded with "at FindAGrave Memorial ID" with the same number as the FGID. This information is duplicated because I changed software for my genealogy research and the current software used is designed to interface with internet sites. Thus a duplication of the same information. As time passes there will be less duplication as corrections are made and new ways of recording the genealogy data is recorded with the new software.

Moreover, there are times when the age at death appears as a whole number and at other times it includes the age at death as years, months and days. This too is a result of a software change.

The St. Landry Clarion, Opelousas, LA, 29 Aug 1914, a report on the explosion of oil railroad cars caused the death of George E. Pettifield.

The Times, Shreveport, LA, 29 Aug 1914 reported that George E Pettifield was badly injured in the explosion.

Houston Police Won't Reopen Pettifield Case (American Press, July 20, 1949

HOUSTON, Texas, July 20. Texas and Louisiana officers appear to disagree over whether the gunshop death of a DeQuincy, La. Railroad conductor here was a slaying or a suicide.

Houston police announced last night that they did not intend to reopen the case of 62-year-old George E. Pettifield, listed by them as a suicide.

Asked Investigation

The Houston action followed reports by Sheriff Henry A. Reid at Lake Charles, La., that he had asked further investigation. The sheriff said an examination of the body brought here indicated the man had been shot in the back, and that he was bruised and had a broken nose.

In reply, Houston Detective Captain George Seber said no further action would be taken.

And City detective W. F. McCurry, who investigated Pettifield's death in a boarding house here Saturday afternoon, said there were a number of indications that Pettifield had killed himself.

Powder Burned

McCurry, for one thing, declared Pettifield's chest was powder burned. He also said there was a note asking that two Missouri Pacific railroad officials be notified in case of accident or death.

The Houston detective added: "The man apparently shot himself in the chest but lived sometime after he was wounded. ... He could have laid the pistol on the table, where it was found, then staggered into the bathroom where his body was found."

McCurry went on to say that he believed the bruises and broken nose were caused by the wounded man's own actions in staggering about the room.

The suicide verdict was returned in Houston by Peace Justice W. C. Ragan, who could not be reached for later comment.

-----**Adopted**.....Last Name was Johnson before adoption (FamilySearch.org)

George Emmett Pettifield

Reason This Information Is Correct:

The 1900 census shows George was adopted by the Petifils [Pettifield] family.

My father in law (HJ Pettifield-Johnson [or Joseph H Petitfils]) told me the passed down story of how his grandfather came to be a Petitfils - Pettifield. George Emmett Johnson Pettifield was born in January 1885, his mother passed away and his father was having a hard time taking care of him so he had him in a box by the wood to keep him warm an a couple came by the Ulysses Petitfils family. He told them he couldn't care for him and the couple agreed to take him in and raise him. He lived with them and on I believe it's the 1910 census he's working under his adopted father being trained. He years later went into the military, that's when his last name was to Pettifield on military document. He never changed it. The story is years later his Johnson or Johnston family tracked him down and wanted to bring him back into the family. My father in law said he just was

alright with the way things were and never really had any farther communication with his biological family. My hopes are to connect his family lines back up so our sons will know their true last name history. Cecil married **Dorothy Lorena WELCH**¹⁴ in 1946 in Lake Charles Calcasieu, LA. Dorothy was born on 6 Dec 1930, died on 9 Dec 2018 at age 88, and was buried in Creel Cemetery, Reeves, Allen Parish, LA. {FGID: 195272533}

General Notes: Dorothy Lorena Welch Pettifield departed this world on the adventure of her life on December 9, 2018. God touched her hand at 10:24 AM and she peacefully went to join her loved ones that preceded her in death.

Before she was the adoring wife, mother, grandmother and great-grandmother that we loved so dearly, she was a sweet, giving, loving daughter and sister. She was born into this world on December 6, 1930 to parents Bennie B. and Clora Milligan Welch in Rayne, LA. When she was a teenager in 1943 her father moved his family from Rayne, LA to Lake Charles, LA to accept a job position at a local refinery.

Within 2 years she met a very handsome Marine by the name of Cecil P. Pettifield. They were married in 1946 in Lake Charles, LA where they remained to start their family.

Along came 4 sons followed by 5 daughters. She spent every single day of her life a dedicated wife, mother, daughter, sister, grandmother and great-grandmother. During this time, she was also a dedicated full time employee of the Calcasieu Parish School Board for almost 30 years. She took great pride in providing her students with hot, healthy meals and prided herself in never allowing any student to leave hungry.

After the loss of her husband of 45 years, in May of 1991, after battling a lengthy illness, she had filled her life with celebrating all of the momentous moments in the lives of her loved ones. She blossomed and thrived at sharing these times. She will always be remembered for the sweetest smile and coined the phrase "They must be feeling bad or have a fever" so the children wouldn't be punished.

She was preceded in death by her beloved father and mother followed by her husband, Cecil P. Pettifield, Sr., her first born son, Cecil Pettifield, Jr. Also, by her only brother, Ervin Richard, Jr. and his loving wife Muriel; her sister, Hilda and her devoted husband Clyde Spell; brothers-in-law, Donald Lollar and Rev. Dallas Shuff.

Those left behind to cherish and honor her memories are sons, Ronnie (Georgie) Pettifield, Perrin, TX, Johnny (Cynthia) Pettifield, Topsy, LA, George W. Pettifield, Lake Charles, LA; daughters, Bennie Sue (Sonny) Mason, Moss Bluff, LA, Janice (Eddie) Perkins, DeQuincy, LA, Donna Renee Pettifield, DeQuincy, LA, Tracy Lynn (Tim) Howard, Woodlawn, LA, Kristi (Richard) Howard of Iowa, LA; daughter-in-law, Barbara Peugh Pettifield, Whitt, TX; sisters, Sadie Shuff, Moss Bluff, LA, Reva Sargeant, Moss Bluff, LA, Alberta Lollar, Olla, LA.

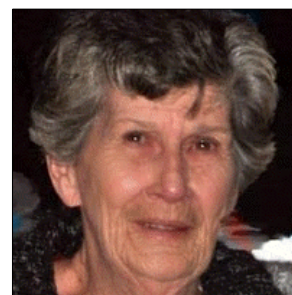

She also leaves the loves and joys of her life, 18 beautiful grandchildren and 22 very precious great-grandchildren, and numerous nieces and nephews that fondly refer to her as Aunt Dot.

Her funeral service will be held at noon on Wednesday, December 12, 2018 at Johnson Funeral Home of Moss Bluff. The Rev. Marcus Wade will officiate. Visitation will be held at the funeral home on Tuesday from 5 PM until 8 PM and will continue on Wednesday from 10 AM until the start of the service.

Mrs. Pettifield will be laid to rest next to her husband at Creel Cemetery in Dry Creek.

The honor of pallbearers to carry her to her final resting place will be the grandsons she adored. They are as follows: Kinnley Howard, Cody Howard, Daniel McGary, Jeffery Pettifield, Josh Pettifield and Chase Warden.

The family would like to extend our special thanks to Christus St. Patrick Hospice for their loving attention and care of our mother and family during our time of need. They would also like to extend special thanks to Tracy, Dawn, Elaine, Lisa, Angela
